

Establishing LAKAS HIGH SCHOOL Baseline Data Presentation

**Research Forum on Inclusive Education
December 3, 2019**

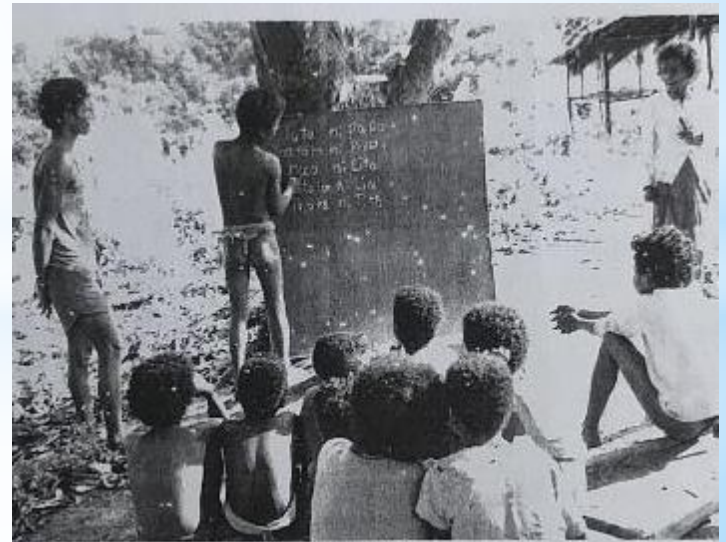

Carol Saribay

IPEd Focal Person, LAKAS High School

LAKAS HIGH SCHOOL

* March 1, 1982, a literacy program for the Aytas was organized by the Franciscan Missionaries of Mary (FMM). After the mount Pinatubo eruption in June 1991, the Lubos na Alyansa ng mga Katutubong Ayta ng Sambales (LAKAS) were displaced and settled at sitio Bihawo, Villar, Botolan, Zambales.

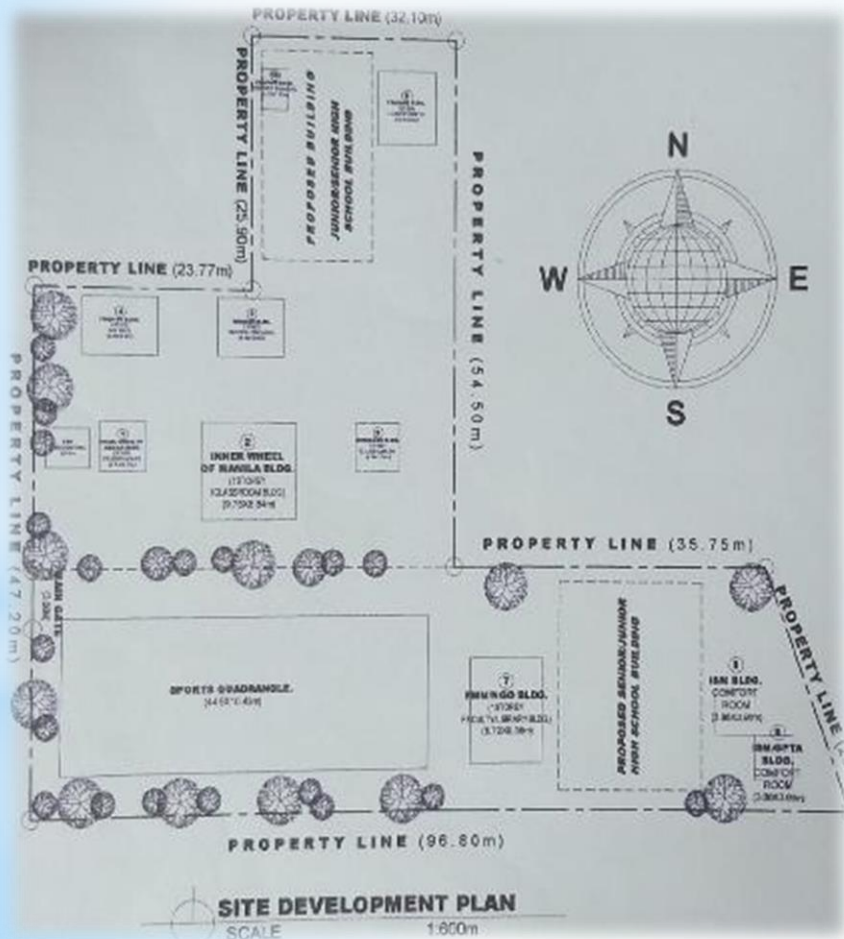

Meeting with Dr. Malcolm S. Garma (formerly SDS - Zambales) regarding the establishment of an IP school in LAKAS

* LAKAS community headed by Carlito Domulot and leaders/elders requested the establishment of LAKAS High School. LHS was established in June 2013.

* As per DepEd Order No. 71 s. 2003, LAKAS High School finally had been approved as a newly established school in the Division of Zambales with Government Permit No. 043 s.2013.

Area of School

*The area of the school site is about three thousand seven hundred fifty (3,750) square meters within the LAKAS community.

UTILIZATION OF BASELINE DATA

1. Proposal to establish Lakas High School
2. Development of IPEd Curriculum and Modules
3. Identification of Learners
4. Identification of IP Teachers and Facilitators
5. Mapping of partners and stakeholders
6. Roadmap of LAKAS IPEd

CHALLENGES

1. Study on the impact of IPEd curriculum in the preservation of IP culture and advancing IP rights and self-determination
2. Further study on the inclusive education in IPEd
3. Documentation of IP Teachers' Stories in IPEd
4. Development in tracking of IP and non-IP learners

*Malake ya Salamat!
