( COMFAS )**

**Chairman – Roberto A. Ballon**

## **Presentation Outline:**

- 1. KGMC SPOT PROFILE / VMG**
- 2. Program and Projects**
- 3. Environment**
- 4. Livelihood and Enterprise**
- 5. People Empowerment**
- 6. Next Generation preparatory**
- 7. COMFAS – Sibuguey Bay**

# SPOT PROFILE OF KGMC

- . Municipal Fisherfolk Association of Kabasalan, Zamboanga Sibugay . Registered fisherfolk Association with 321(House hold) members. It was organized in 1986.**
- . It is based in Barangay Concepcion, Municipality of Kabasalan doing mangrove restoration and rehabilitation and protecting marine environment and biodiversity. Promoting coastal community livelihood and social enterprise in partnership with NGOs (XAES, FFP ) DENR, DA-BFAR, PLGU, MLGUs, , Academe and Other concern institutions.**
- . Actively involved in coastal protection and management. The Association is implementing marine-based livelihood projects like Fish culture in cages, Shell Culture, Crabs and fish mangrove aquasilviculture and sustainable ways of fishing .**
- . Provides technical assistance to other small fisherfolks Association**

# **.VISION**

A Self Sufficient and Resilient  
Fisherfolks of Kabasalan Sustainably  
Managing and Protecting the Coastal  
Resources and other Environmental  
Habitat and for the Benefit of the Next  
Generation.

# .MISSION

Through a unified and Organized effort, the KGMC will Blaze the action of the Marginalized Sectors of Fisherfolks, Farmers, Women, Youth, Indigenous People and the Elderly towards Coastal Development and Conservation to be Economically Productive through Environment-Friendly Programs and Projects.

# GOALS

- 1.** Initiate and Implement Coastal Resource Management Programs and Projects Appropriate for our Immediate Environment and the Neighboring Coastal Municipalities (Mangrove Reforestation, Marine Protected Area, Bantay Dagat.)
- 2.** Take the Lead in Providing for the income Generation activities of the Fisherfolks in the Municipality of Kabasalan (Lapu-Lapu fish cage culture, Shell Culture, Sustainable fishing

# GOALS

3. Serve as a Potent arm of the Local Government Unit to pursue Coastal Resource Management Programs and Projects  
(Bantay Dagat, Coastal Community livelihood )

# Programs and Projects

## 1. ENVIRONMENT

Coastal Environment – Rehabilitation, Conservation, Protection, Development and Management

## 2. Livelihood and Enterprise Development

## 3. PEOPLE EMPOWERMENT

- Small Fisherfolks Organization Strengthening for the Environment and Enterprise Management  
 Capability Building- Skills development and Enhancement.  
 (Trainings and Seminars follow through)

# Environment Natural Resources

## 1. Environment - Coastal *Ecosystem*

A wide river flows through a lush green landscape under a clear blue sky. The river is the central focus, with dense green trees lining both banks. In the distance, mountains are visible under a bright sky with a few wispy clouds. The water in the river is dark and reflects the sunlight, creating a shimmering effect.
